

ABOUT

Australian Library and Information Association (ALIA), Library and Information Association of New Zealand Aotearoa (LIANZA), and Library Association of Singapore (LAS) are delighted to announce their first joint conference between the three associations.

The 2018 conference will be the fourth in a series which began more than 30 years ago. The first joint Australia-New Zealand conference was held in Christchurch in 1981; the second in Brisbane in 1984, and the third in Wellington in 1994. This will be the first time that ALIA and LIANZA are joined by LAS.
